

# TradEnable

## AIG's full cycle policy support portal

Your insurance and risk management needs are our key priority and we understand the importance you place on having more control and transparency over your credit insurance policy. TradEnable is our full cycle policy support portal for Brokers and Clients through which you can manage your policy and portfolios.

This secure portal will be rolled out in 3 planned phases. Each phase will see additional functionality and an increasing use of AI to help us improve limit automation so you can receive instant responses to limit requests.

### The Portal

Our TradEnable portal is easy to use and minimises the time spent on policy administration. Its functionality is designed to help you comply with policy terms and manage risks, giving you the confidence to trade and grow your portfolios.

#### PHASE 1

#### PHASE 2

#### PHASE 3

### New functionality

#### Easy Access

Log in wherever you are 24/7 using a desktop, laptop or mobile device to review and manage your portfolios

#### Make Modifications

Apply for new or increased credit limits, with fast acceptance notifications if the request is within a pre-agreed limit

#### Track Requests

Monitor the status of pending requests without the need to contact an Underwriter

#### Buyer Look-up

Search for buyers in multiple languages, helping you to quickly identify the company information you need

The portal is available in English, French, Spanish and Japanese, with German, Portuguese and Chinese added from March 2022.

**Phase 2 & 3 will follow in 2022 and will include more functionality such as easy ways to manage credit limits, claims and policy activities.**
